Applicants have reviewed the Office Action originally mailed without a cover sheet (First Copy) and later mailed to applicants with a cover sheet on January 16, 2004 (Second Copy). Applicant contacted the Office and determined that the First Copy was mailed on July 28, 2003. Since the Second Copy did not make any reference to the First Copy, Applicant contacted the Examiner regarding whether the First Copy had been withdrawn. Applicant has received no response. Applicant has checked the PAIR system and it only indicates that the Office Action was mailed January 16, 2004. Thus, Applicant assumes that the First Copy of the Office Action was withdrawn since the First Copy was mailed without an indication of the mailing date. However, in the event that the Office takes the position that the Second Copy was not intended to withdraw the effect of the mailing date of the First Copy, this Amendment and Response is accompanied by a Petition, as well as the appropriate fee, to obtain a 3 month extension of the period for responding to the Office action, thereby moving the deadline for response to the First Copy from October 28, 2003 to January 28, 2004.

Amendments to the Claims are reflected in the listing of claims that begins on page 2 of this paper.

Remarks begin on page 10 of this paper.
